

Ardbeg 1975 - The President's Malt 2011-12

The ICAS Corporate Responsibility Group has commissioned two decanters of single malt whisky which will now be sold to raise funds for the ICAS staff nominated charity, the Simpsons Special Care Babies (www.sscb.org).

These two engraved decanters of Ardbeg 1975 will be auctioned as separate lots through sealed bids. The closing date is 25 November 2011 (9pm) and the two successful bids will be announced at the CA Dinner, Glasgow.

If you would like to submit a bid please email the following information to auction@icas.org.uk:

This incredibly rare opportunity will only be promoted to ICAS members but, as the primary aim of the auction is to maximise the funds raised for the Simpsons Special Care Babies charity, valid bids will also be accepted from non-members. The highest bid will receive decanter one of two and the second highest bid will receive decanter two of two. The reserve price for each decanter is set at £500.

ICAS would like to thank Ardbeg Distillery, Glencairn Crystal and Ian Jacobs Photography for their very generous donations.
